The rates of these charges are based on the legislation and the price lists of different service providers valid at the time.

Charges for loan collection, other maintenance or changes in its terms may also involve costs whose grounds are listed in the Bank's service price list. These prices are valid prices which the bank has the right to change. If the work costs arising from the customer's request exceed these rates, the actual work costs will be charged.

The bank has the right to debit charges and fees from the customer's account.

The service price list is available at each Danske Bank office.
